****Albeit not everyone's cup of tea I (ivy: model) felt my hand forced to require it after shooting TFP with several creatives wherein I worked 2+hrs and participated in 3+ outfit changes as well as provided my own (makeup, styling, hair, props, and transportation services) and received as compensation a diminutive 3-5 photos that at times didn't even include all outfits/locations from the shoot. Having felt as though I put in a good \$100 worth of arduous work and effort this felt kindred to receiving a \$0.25 tip. I understand that if I break any terms of this contract concerning the proof images I receive that not only will I forego the privilege of working with the below signed photographer ever again or until they deem acceptable but I also will be faced with the possibility of being blacklisted by any/all photographers that are privy to learn of my wrong doing. If you as the photographer still feel that you cannot trust me to uphold this contract fully and you do not wish to send me all images both edited/unedited than please kindly return this form with the proper box initialed, and your name signed. Hopefully, we will be able to agree at a later time. Thank you. ~Ivy (Amber Harris) Princess Modeling
